

TRIM

CBS BUILDER'S TIP

'U' Channel trim is mostly used as panel edging. But it can also be used to line large holes. The picture shows a 50mm hole in a 1mm thick aluminium sheet, lined with a short length of TRMU1. Neat, safe and self-securing.

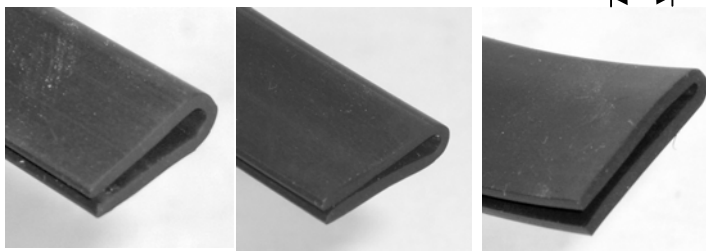

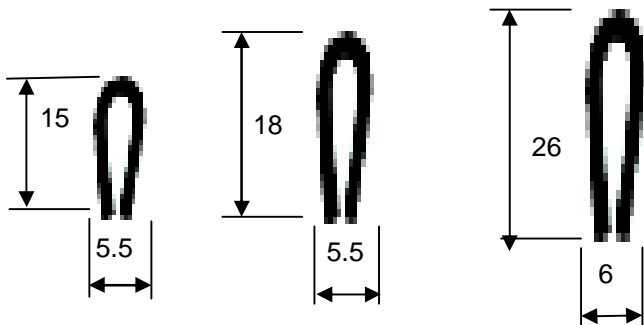

If you're fixing rubber 'U' channel with glue always wash the channel first with thinners to remove the wax film left by the manufacturing process.

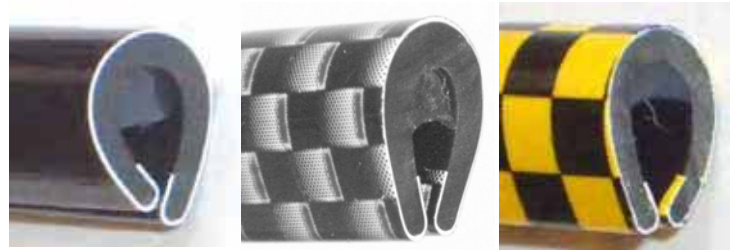

RUBBER 'U' CHANNEL Can be glued on with our Polyurethane or Contact Adhesive.

7 x 4mm for 1mm panels **#TRMU1 £1.75/mtr** (£2.05 inc vat)
 10 x 5mm for 2mm panels **#TRMU2 £2/mtr** (£2.35 inc vat)
 13 x 7mm for 3mm panels **#TRMU3 £2.25/mtr** (£2.64 inc vat)

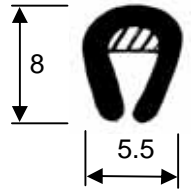

RUBBER 'U' CHANNEL Can be glued on with our Polyurethane or Contact Adhesive.

15 x 5.5 for 1 to 2mm panels **#TRMU4 £3/mtr** (£3.52 inc vat)
 18 x 5.5 for 1 to 2mm panels **#TRMU5 £3.25/mtr** (£3.81 inc vat)
 26 x 6 for 1 to 3mm panels **#TRMU6 £3.50/mtr** (£4.11 inc vat)

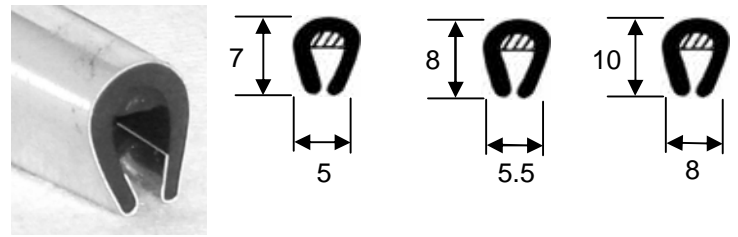

U CHANNEL 8mm x 5.5mm. Very nice trim that will curve without distortion in both directions as tight as 50mm radius. Will fit over 1mm to 4mm panels. A brilliant feature is a fillet of non-setting adhesive at the bottom of the 'U' to help it stay firmly in place.

GLOSS BLACK #TRMBU £3/mtr (£3.52 inc vat)

CARBON EFFECT #TRMCAU £3/mtr (£3.52 inc vat)

BLACK/YELLOW #TRMYU £3/mtr (£3.52 inc vat)

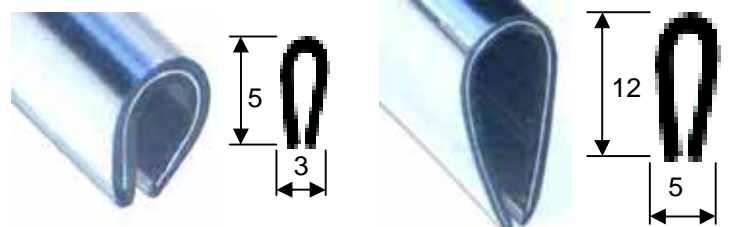

CHROME U CHANNEL Very nice trim that will curve without distortion in both directions as tight as 50mm radius. Will fit over . A brilliant feature is a fillet of non-setting adhesive at the bottom of the 'U' to help it stay firmly in place.

7mm x 5mm **#TRMCU6** For 1mm to 3mm panels
£3/mtr (£3.52 inc vat)

8mm x 5.5mm **#TRMCU1** For 1mm to 4mm panels
£3/mtr (£3.52 inc vat)

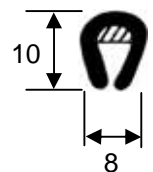

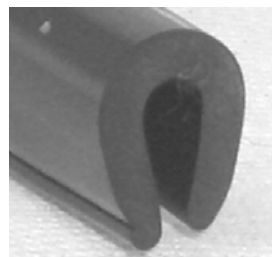

10mm x 8mm **#TRMCU5** For 1mm to 5mm panels
£3.50/mtr (£4.11 inc vat)

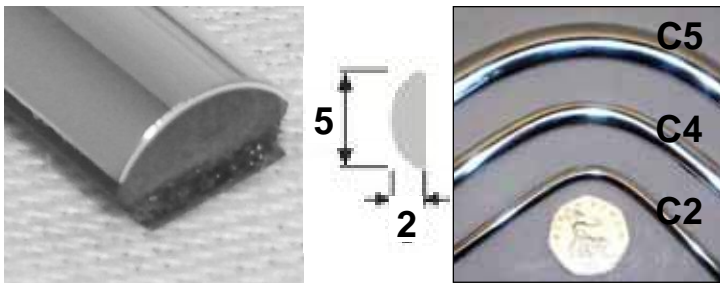

PLASTIC 'U' EDGE TRIM Much stiffer than our other chrome U trims but can be formed around gentle curves.

BRUSHED STAINLESS EFFECT #TRMCU2 5mm x 3mm for panels up to 1.5mm **£2.25/mtr** (£2.64 inc vat)

BRUSHED STAINLESS EFFECT #TRMCU3 12mm x 5mm for panels up to 3mm **£2.50/mtr** (£2.93 inc vat)

SATIN BLACK 'U' CHANNEL #TRMSBU 10mm x 8mm
 Very nice Hard Plastic trim that will curve without distortion in both directions as tight as 50mm radius. Will fit over 1mm to 4mm panels. A brilliant feature is a fillet of non-setting adhesive at the bottom of the 'U' to help it stay firmly in place. **£4/mtr** (£4.70 inc vat)

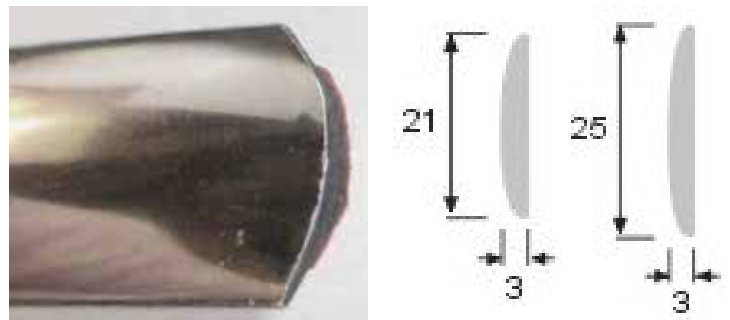

CHROME TRIM #TRMC2 5mm x 2mm Self-adhesive. Hard rubber, skinned in hard wearing chrome. Very Flexible in both directions. **£2.50/mtr** (£3.52 inc vat)

RED GLOSS TRIM #TRMRED1 7mm x 5mm Self-adhesive. Hard rubber, skinned in hard wearing laminate. Very Flexible in both directions. **£3/mtr** (£3.52 inc vat)

CHROME TRIM #TRMC4 8mm x 3mm Self-adhesive. Very flexible flattened oval plastic chrome trim. Will form to a 50mm radius in it's flat plane. **£3/mtr** (£3.52 inc vat)

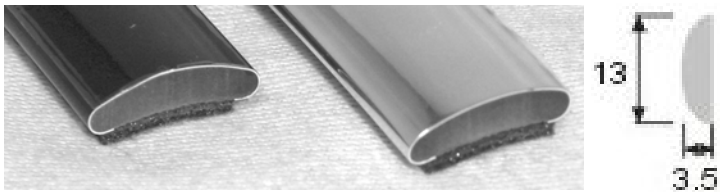

CHROME TRIM Hard rubber, skinned with chrome cover. Strong adhesive with peel-off backing. Beautiful mirror finish. Can be trimmed to a rounded end as shown. Very nice.

17mm x 3.5mm #TRMC8 £4/mtr (£4.70 inc vat)

21mm x 3mm #TRMC1 £4/mtr (£4.70 inc vat)

25mm x 3mm #TRMC6 £4.50/mtr (£5.28 inc vat)

GLOSS BLACK #TRMB1 or **CHROME TRIM #TRMC5** 13mm x 3.5mm Hard rubber skinned in glossy black or chrome. Can be formed to 60mm radius in it's flat plane and 10mm radius on it's thickness. Strong adhesive with peel-off backing. Both **£3/mtr** (£3.52 inc vat)

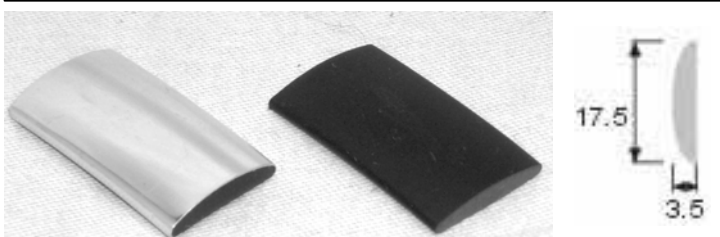

SANDWICH TRIM Very nice decorative trim. Very flexible self-adhesive. Black hard rubber with either Chrome or Red infills. **BLACK WITH CHROME INFILL #TRMSANC**

BLACK WITH RED INFILL #TRMSANR

Both **£4.50/mtr** (£5.29 inc vat)

TRIM CHROME #TRMC7 & **RED TRIM #TRMRED3** 14mm x 4.2mm Self-adhesive. Very flexible plastic chrome trim. Will form to a 75mm radius in it's flat plane. This version has a shallow recess in the back for the double sided tape which allows the edges of the trim to sit closer to the panel. Both **£3.50/mtr** (£4.11 inc vat)

CHROME #TRMC8 & **SATIN BLACK TRIM #TRMB2** 17.5mm x 3.5mm Self-adhesive. Flexible plastic chrome trim. Chrome version has wrap-around laminate that covers the sides. Satin black has natural surface finish.

Both **£3.50/mtr** (£4.11 inc vat)

WHEEL ARCH MOULDING Extremely flexible self-adhesive. Will easily follow wheel arch contours. Will finish off a sharp edge and provide protection against car park 'dings'. Many other uses.

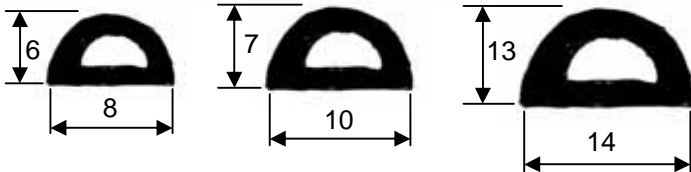

BLACK WITH CHROME INFILL #TRMWAC

ALL BLACK

#TRMWAB

Both **£4.50/mtr** (£5.29 inc vat)

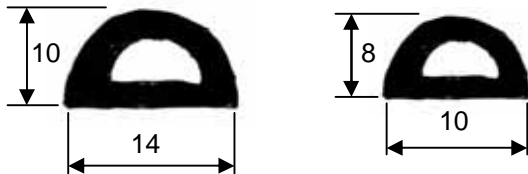

HOLLOW 'D' SECTIONS ARE HIGHLY COMPRESSIBLE AND SUITABLE FOR BONNET, BOOT AND DOOR SEALS. WHEN CHOOSING THE CORRECT SIZE FOR THE JOB REMEMBER THAT ALTHOUGH YOU MAY BE ABLE TO SQUEEZE THE TRIM ALMOST FLAT BETWEEN YOUR FINGER AND THUMB, IT IS NOT SO EASY TO COMPRESS OVER A LARGER AREA

NEOPRENE 'D' SECTION SELF-ADHESIVE

Soft, skinned sponge. Strong adhesive with peel-off backing.

- 8mm x 6mm **#TRMDSA1**
- 10mm x 7mm **#TRMDSA2**
- 14mm x 13mm **#TRMDSA3**
- All **£3.50/mtr** (£4.11 inc vat)

NEOPRENE 'D' SECTION 14mm x 10mm **#TRMD**

Will deform nicely to take up variable panel gaps or form drip gutters. Size: Base 14mm, Height 10mm.

NEOPRENE 'D' SECTION 19mm x 8mm **#TRMDS**

Base 10mm x 8mm high. **Both £2.20/mtr** (£2.58 inc vat)

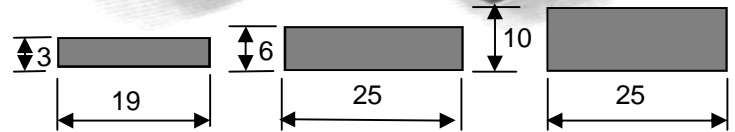

SELF ADHESIVE PVC NITRILE FOAM SHEET WITH PEEL-OFF BACKING

Very nice smooth surface. Ideal for seat lining or panel padding etc. Sold from a metre-wide roll.

- 3mm **#FOAMSH3** £25/mtr (£29.37 inc vat).
- 6mm **#FOAMSH4** £36/mtr (£42.30 inc vat).

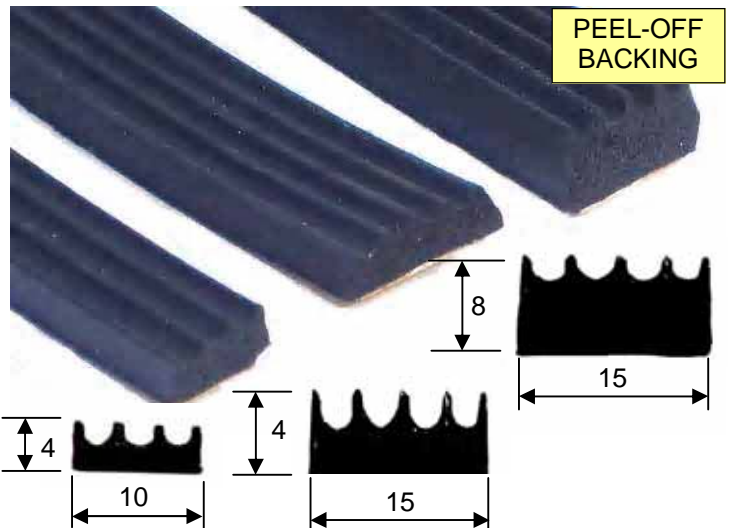

**ALSO AVAILABLE
IN SHEET FORM**

SELF-ADHESIVE BLACK FOAM RUBBER STRIP

- 19 x 3mm **#TRMR1** £1.75/mtr (£2.05 inc vat)
- 25 x 6mm **#TRMR2** £2.25/mtr (£2.64 inc vat)
- 25 x 10mm **#TRMR3** £2.50/mtr (£2.93 inc vat)

**PEEL-OFF
BACKING**

SELF ADHESIVE RIBBED NEOPRENE SPONGE STRIP

Soft, skinned closed cell sponge. Ideal for bonnet and boot shuts or panel to panel joints. Three sizes:

- 10mm x 4mm (left) **#TRMRIB1** £2/mtr (£2.35 inc vat)
- 15mm x 4mm (centre) **#TRMRIB2** £2.50/mtr (£2.93 inc vat)
- 15mm x 8mm (right) **#TRMRIB3** £3/mtr (£3.52 inc vat)

RUBBER MAT-TING **#TRMAT**

Black, low profile wide flutes for easy cleaning.

3mm thick. 1 mtr wide.

£12/mtr (£14.10 inc vat)

HARD RUBBER SHEET **#RS15**

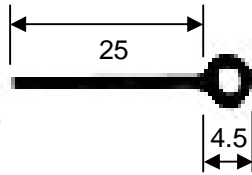

1.5mm thick. Very flexible. Black. Easy to cut with knife or scissors. Ideal for gaskets, seals etc. Piece size 700mm x 300mm (27" x 12"). Larger sizes can be supplied from roll width 1400mm.

£4 for 700mm x 300mm (£4.70 inc vat)

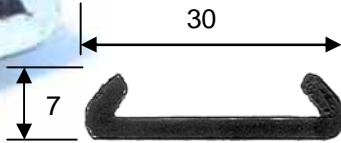

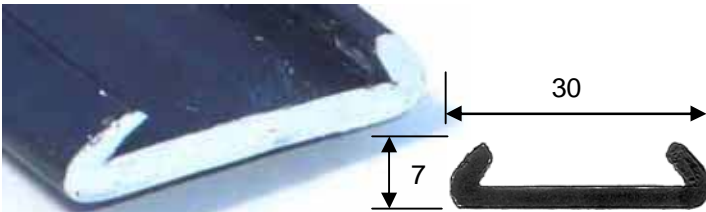

RUBBER WING PIPING #TRMPI2 Use in the traditional way between bolt-on wings and body to make a neat, sealed joint. Or, as a finishing trim around the edges of aluminium panels. 4mm diameter bead. 22.5mm long tail x 2.3mm thick. **£3/mtr** (£3.52 inc vat)

WING PIPING #TRMPI Black PVC. Use in the traditional way between bolt-on wings and body to make a neat, sealed joint. Or, as a finishing trim around the edges of aluminium panels. 4.5mm diameter bead. 25mm long tail x 1.3mm thick. **£2.50/mtr** (£2.93 inc vat)

TANK STRAP RUBBER #TRMTANK (Cut edge painted white for clarity) 30 x 7mm hard black rubber channel. Will accept 22mm wide strap. **£6/mtr** (£7.63 inc vat)

CHROME LOUVRES #CHRLV If you're familiar with our product range you'll realise that we rarely sell items that don't actually do anything useful. We've made an exception with these natty chromed plastic self-adhesive louvres. Beautifully moulded and just 80mm long they are typical of the nice touches seen on so many Italian supercars. Pack of 6. **£5** (£5.87 inc vat)

NUMBER PLATE SURROUNDS

PRESSED STAINLESS STEEL (top) #NPSS Size 543 x 132 x 10mm. Highly polished stainless with multi fixing options. Can be formed around slight curves but must be bolted or screwed on. Plate can be secured into surround with double-sided tape. **£20** (£23.50 inc vat)

CHROMED PLASTIC (bottom) #NPSC Size 543 x 134 x 15mm. Nice quality and lightweight with multi fixing options. Can be formed around slight curves. Supplied with self tapping screws and double sided pad. **£8** (£9.94 inc vat)

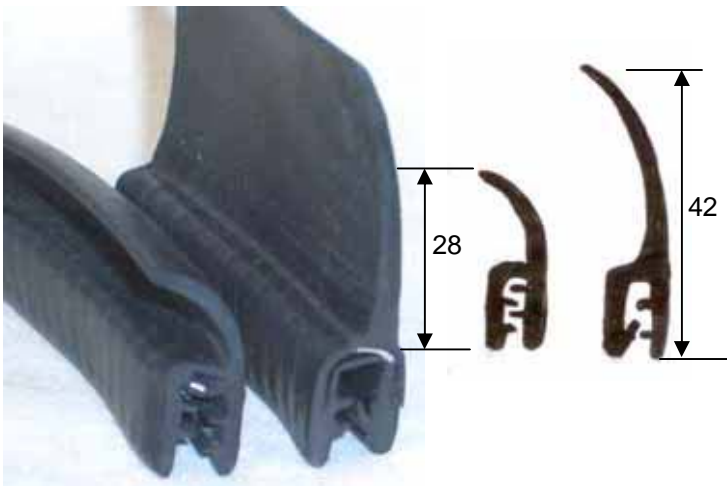

NUMBER PLATE FIXINGS

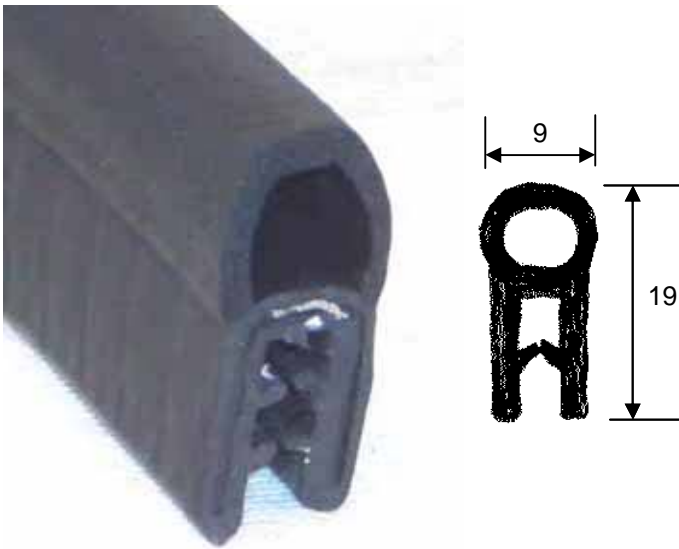

- #NPSY** Yellow washer with cap and self-tapping screw.
- #NPBW** White washer with cap and self-tapping screw.
- #NPBB** Black washer with cap and self-tapping screw.
- #NPBW** Yellow bolt with nut.
- #NPBY** White bolt with nut.
- #NPBB** Black bolt with nut.

Each item sold in packs of 5.
£2.50 per pack of 5 (£2.93 inc vat)

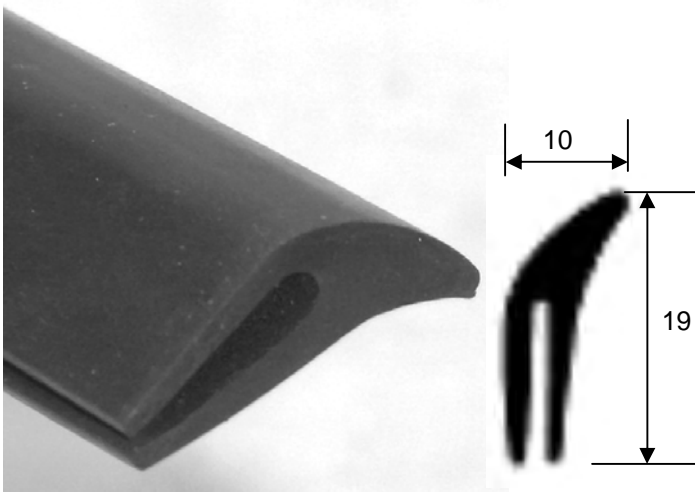

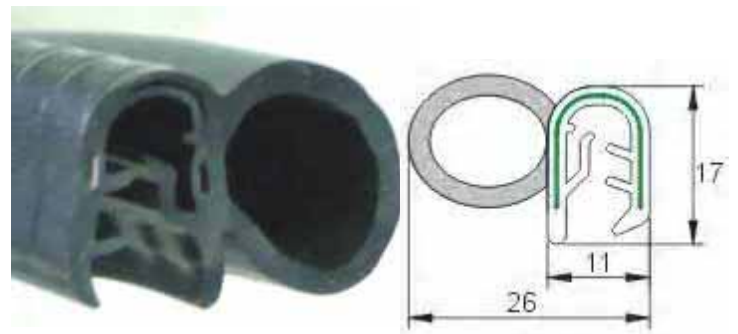

BOOT & DOOR SEAL Steel reinforced 'U' section
SMALL #TRMBS 28mm total height for up to 3mm panels.
LARGE #TRMBL 42mm total height for up to 5mm panels.
 Both **£4/mtr** (£4.70 inc vat)

EDGE SEAL #TRME Black rubber. For boot edge lips etc. Overall 19mm high. 9mm diameter soft round hollow bead. For up to 3mm thick panels. Steel reinforced 'U'.
£3.50/mtr (£4.11 inc vat)

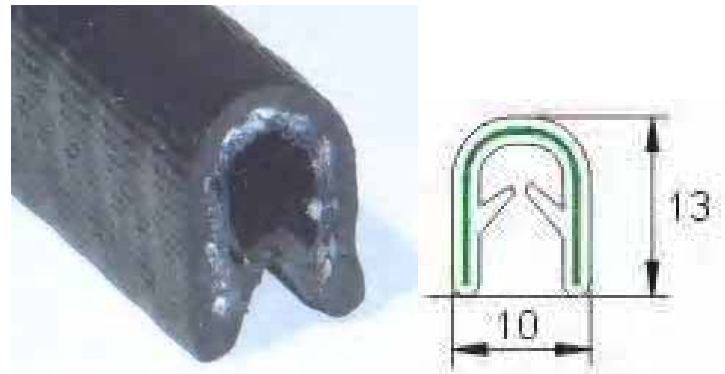

LEAF SEAL #TRML1 Black flexible rubber. For window seal, boot edge lips etc. Overall 19mm high. For up to 2mm thick panels. **£3.50/mtr** (£4.11 inc vat)

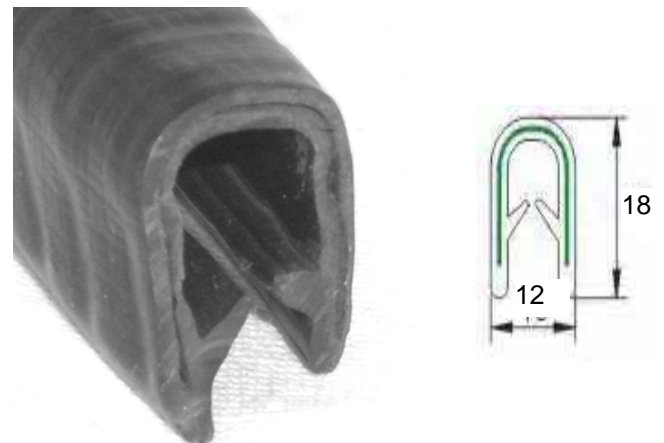

DOOR SEAL #TRMDR Suitable for GRP panels up to 5mm thick. Sponge tube 17mm diameter bonded to steel-reinforced PVC gripper with leather-grain finish.
£3.50/mtr (£4.11 inc vat)

MINI EDGE TRIM #TRMPS Patterned PVC with steel reinforcing. Max panel thickness 2.5mm. Channel depth 7mm. Will form to 30mm radius curves. **£2.50/mtr** (£2.93 inc vat)

EDGE TRIM #TRMPV Patterned PVC with steel reinforcing. Max panel thickness 5mm. Channel depth 10mm. Will form to 50mm radius. **£2.50/mtr** (£2.93 inc vat)

EDGE TRIM #TRMPVL Patterned PVC with steel reinforcing. Max panel thickness 6mm. Channel depth 16mm. Will form to 75mm radius. **£3.50/mtr** (£4.11 inc vat)
